Have you ever thought about what working families do with their children if they can't afford daycare, summer camps or vacations when school is out? **Learning cannot afford to take the summer off. Will you make a contribution today to help us keep kids learning all summer?** Did you know that a child without summer reading opportunities accumulates **TWO YEARS** worth of reading loss by middle school?

HYPE Freedom School, Inc., (HYPE) is excited to introduce you to a fun, literacy and safe summer program that is being held from **June 15 – July 23, 2020** for children in the **Houston (Sunnyside, South Park and Fifth Ward), Pearland and Beaumont communities**. This program is designed to target those who need summer learning opportunities the most, but families can afford it the least.

HYPE Freedom School, Inc. is the long standing sponsoring organization for the Houston and surrounding areas **Children's Defense Fund (CDF) Freedom Schools** sites. Since 1999, HYPE has offered Freedom Schools to children and families in the Sunnyside Community of Houston and is proud to launch additional Freedom Schools programs in the **Wheatley** feeder pattern, **Pearland** and **Beaumont** areas. HYPE Freedom School ensures that children from low-income backgrounds maintain or gain reading ability during the summer by providing a unique six-week program that unlocks their long-term potential by igniting their passion for reading and learning. Creating rich and vibrant classrooms of discovery in collaboration with diverse community partners does this for each scholar.

Our goal is to **combat reading loss** by providing a CDF Freedom Schools experience for **350 children** this summer. In addition, HYPE Freedom School strives to continue to build **meaningful relationships and partnerships within the community** that strengthen our collective commitment to children and lead to sustainable change.

HYPE is seeking individuals and organizations to invest in this scalable model by volunteering and providing financial support. Please review the attached sponsorship document and know it is because of people like you, HYPE is able to increase the love of learning beyond school hours!

With gratitude,

A handwritten signature in cursive script that reads "Brandi J. Brown".
